- Don't challenge or attack others. The discussions on the lists are meant to stimulate conversation not to create contention. Let others have their say, just as you may.
- All defamatory, abusive, profane, threatening, offensive, or illegal materials are strictly prohibited. Do not post anything in a Discussion Forum message that you would not want the world to see or that you would not want anyone to know came from you.

- Only send a message to the entire list when it contains information that everyone can benefit from.
- Send messages such as "thanks for the information" or "me, too" to individuals--not to the entire list. Do this by using the "Reply to Sender" link to the left of every message.
- Do not send administrative messages, such as remove me from the list, through the Discussion Forum. Instead, use the Web interface to change your settings or to remove yourself from a list. If you are changing e-mail addresses, you do not need to remove yourself from the list and rejoin under your new e-mail address. Simply change your settings.
