Call for Award Nominations

Each year, the Washington Association for Marriage and Family Therapy (WAMFT) honors individuals who have contributed to the profession and practice of Marriage and Family Therapy, to our association, and to communities in the state of Washington. Please consider nominating an exceptional member of the community for recognition by WAMFT. All award recipients must be members of WAMFT except for those receiving the Family Advocacy Award. **Nominations will be accepted through August 5, 2019**.

Awards will be presented at our annual WAMFT Conference in Seattle on September 28, 2019.

Nominations should include the following:

1. Your name and contact information
2. The nominee's name
3. The name of the award
4. Using 500 words or less, state why you are nominating this person for the award. Provide a description of the nominee's character, skills, professional positions, and contributions that pertain to the award. Please be specific, giving examples. Attach the nominee's professional resume/vitae for the following awards: Distinguished Clinical Member, Supervisor, Educator, and Student awards.
5. For the Volunteer of the Year Award, attach an additional document describing the individual's contributions to WAMFT in the current year.

Submit your nomination by email to wamft@wamft.org.
