CAREER OPPORTUNITIES

BUILD STRONG RELATIONSHIPS. STRENGHTEN YOUR COMMUNITY.

Parents And Children Together (PACT) has agreed to purchase a property to secure a permanent location to provide services to the community. To accomplish that, PACT is in the initial stages of planning its first multi-million-dollar capital campaign and has created a new position, Fund Development Director.

Reporting to the Chief Development Officer, the Fund Development Director will be an active, front line fundraiser responsible for building strong relationships that lead to significant gifts to PACT and in support of the campaign.

The Director will develop and launch strategies for ambitiously increasing the size and number of individual gifts to PACT and the campaign. Working closely with administrative colleagues and volunteers, the Director will develop personalized solicitation strategies for those prospects that lead to major gifts.
