ALASKA CHAPTER

The Alaska Chapter of the American Statistical Association provides a community for statistically-inclined people working in Alaska. Many of our members belong to the ASA, but chapter membership is not limited to ASA members. This website serves as both a communication tool for our membership and to the general public.

Subject: AK ASA Chapter officer nominations

Greetings Chapter Members,

Good morning Chapter Members,

Tomorrow is the deadline for nominations for chapter Vice President and Council of Chapters Representative. As of today I have received one nomination for Vice President, and I thank that volunteer. I hope to hear from more of you by the end of the day tomorrow.

Thanks,

David
