SCAN AWARD AND SELECTION CRITERIA DETAILS

SCAN Achievement Award

This award is offered every year and recognizes a practitioner who has left a legacy to SCAN and the profession through both a history of leadership within SCAN and through outstanding service to the profession.

Criteria for Nomination and Review

- Member of SCAN for 10 or more years
- Significant history of outstanding service to SCAN in various leadership roles, such as SCAN's Executive Committee, Symposium Director/Assistant Director, Subunit leadership and involvement, major publications (Pulse, Well/CV newsletter, SCORE, The Beat), etc.
- Professional accomplishments in the field of sports performance, cardiovascular nutrition, wellness/wellbeing as exemplified through teaching or professional training, clinical experience, public speaking, research, publications, nutrition education for the public, etc.
- Resume/CV, completed application, 3 letters of Recommendation
- Other forms of service and professional accomplishment that may be considered:
    - Participation in Academy and/or other professional organizations at the national, state, and/or local levels
    - Community Service/Volunteerism at the national, state, and local levels
    - Formal and/or informal mentoring of peers and young leaders
    - Collegiality
