Texas Chapter ASFMRA
2021 Spring Meeting & Continuing Education

LIVE - IN PERSON EDUCATION
We have secured a location that ***WILL NOT*** close should there be another spike in COVID which triggers a closure of facilities. The decision is yours...and we hope you will attend.

MARCH 2-5, 2021

We will be hosting a series of 1-day seminars for Continuing Education. 2020 presented us with a lack of CE offerings; therefore, we are giving you the opportunity to make-up and get as many CE hours as you need. Register for a little or a lot, the choice is yours. Plus, enjoy the time together in the evenings to socialize and enjoy the Texas Hill Country.

JoAnn Wall, ARA

JoAnn is coming back to Texas to instruct three 1-day seminars. These seminars will be approved in multiple states, not just Texas. We hope this gives everyone the opportunity to get all the CE and ACE credits they need due to the lack of offerings in 2020.
