CHAPTER CHATTER

Council of Chapters Activities at JSM 2023

By Mimi Kim

The Council of Chapters Governing Board will sponsor two invited sessions at the 2023 Joint Statistical Meetings in Toronto, Ontario, Canada, August 5–10. *Metrics and Statistical Analysis of JEDI-Related Data* is scheduled for August 6 at 2 p.m., and *International Statistical Collaborations and Outreach* will be held August 8 at 10:30 a.m.

All chapter representatives are invited to participate in the COC workshop, *Outreach to Isolated Statisticians,* August 8 from 4–6 p.m.

The annual COC business meeting for chapter representatives will be held virtually the week following JSM. The tentative date is August 18. A 90-minute Zoom session will be held for each of the three regions (Region 1: Districts 1 and 2; Region 2: Districts 3 and 4; Region 3: Districts 5 and 6).
