CFA Society Pakistan

WE'RE HIRING | FINANCIAL ANALYST
Location: Head Office, Karachi

We are looking for a detail-oriented and analytical Financial Analyst to join our team. The incumbent will be responsible for generating financial and business insights to support strategic decision-making, investment evaluation, and organizational growth.

Key Responsibilities

- Analyze financial, operational, and business data to generate actionable management insights.
- Evaluate financial reports and prepare business cases and management presentations.
- Develop financial models and assess investment opportunities and potential target companies.
- Support buy-side due diligence and special finance projects.
- Conduct company and project valuations using NPV, ROI, IRR, and payback period analysis.
- Perform market research, data mining, business intelligence, and investment analysis.

Requirements
Qualification: MBA, ACCA, CFA Level I, or CA Part Qualified.
Experience: 3–5 years of relevant professional experience.

- Strong expertise in financial and business analysis, financial modeling and planning, and project valuation.
- Knowledge of investment research, portfolio evaluation, and public and private market equity analysis.
- Understanding of mergers and acquisitions, due diligence, and strategic financial management.
- Knowledge of the Pakistani economy and local business landscape.
- Strong analytical, quantitative, communication, and presentation skills.
- Proficiency in Microsoft Excel and PowerPoint.
- A proactive mindset, independent working capability, and comfort working with ambiguity.
