Welcome to the APNA Social Networking site!

**Announcements**

**Annual Conference Live Webcasts**  
APNA is making 3 keynote sessions available to you online if you can't make it to Charleston to see them in person. You can register for Len Bower's keynote on Wednesday evening, APNA President Mary Johnson's keynote address on Thursday morning, and Kathleen Delaney's keynote on Friday morning.  
[Register Here!](#)

**APNA 23rd Annual Conference**  
Join us in Charleston, SC, October 7-10, 2009!

**Trend Spotting**

*A weekly column by Jane Doe*

[Using Facebook - Part VI](#)  
Building a presence for your organization on Facebook is a great way to engage your younger members and potential members "where they live". See five previous installments of Trend Spotting for many advantages and recommendations for how to go about that.

**APNA Social Networking**

**Networks**

Networks are groups that are automatically built based on the Certifications, Interests, Job History and Education you've specified in your profile. Find people who share your background and interest or discover common background and interest among your existing contacts!

Network Type:

No Networks

\* Within the Profile section, you can see the groups to which you have access under the "Mine" tab or view all groups under the "All" tab.

\* Click on the link to "eGroups" or "Resource Library" to access discussions or view content associated with the various group.

\* Don't see a group that you wish existed? Start your own group using the "Create a Community" link!
