- 10:30 New Paradigms: Breaking Through the Status Quo – Dr. Hamed Abbaszadegan, MBA, FACP
- 11:00 Transformative Change: Understanding Member Behavior – Linda Caradine-Poinsett, Ph.D., MJ, MBA
- 11:30 Peer Exchange: Sharing Effective Practices – Paul Pomerantz, FACHE, FASAE, CAE
- 12:00 p.m. Call to Action – Paul Pomerantz, FACHE, FASAE, CAE

Speakers:

Hamed Abbaszadegan, MD, MBA, FACP

Program Director Clinical Informatics

College of Medicine – Phoenix, The University of Arizona

Dr. Hamed Abbaszadegan is a double board-certified physician in the fields of internal medicine and clinical informatics. He has served as an associate program director for the University of Arizona College of Medicine – Phoenix Clinical Informatics Fellowship program and is slated to become the Program Director in September of 2017. In his role with the fellowship-training

program, he is responsible for core informatics training, and project/program development at multiple healthcare systems.

Linda Caradine-Poinsett, Ph.D., MJ, MBA

Executive Director

American College of Prosthodontists

Dr. Linda Caradine-Poinsett is the Executive Director for the American College of Prosthodontists and ACP Education Foundation. Previously, Linda served as Executive Director of several well-respected associations and foundations in the medical and dental industries. She values the relationships she has made with her volunteer leadership as well as the shared vision that drives her work with ACP and ACPEF leadership.

Paul Pomerantz, FASAE, CAE

Chief Executive Officer

American Society of Anesthesiologists

Paul Pomerantz is CEO for the American Society of Anesthesiologists®(ASA®). He received a Master of Business Administration specializing in health administration from Temple University, after which he served in executive roles at Thomas Jefferson University Hospital and Medical College of Pennsylvania (now Drexel). Pomerantz has held CEO roles at the Drug Information Association, American Society of Plastic Surgeons, Society of Interventional Radiology, and Clinical Laboratory Management Association.
