## **Avecra Users' Group**

Why should you join?

- @ In-person and online Networking opportunities
- @ 24/7 access to the smartest folks in town through our online community
- @ Chance to be heard - one strong voice to interact with Avecra and help decide the course of Avecra products and services
- @ Find out how others are using Avecra software, what third parties they are engaging with and their successes and roadblocks
- @ Reduced registration at the Avecra Users and Developers Conference
- @ Chance to show-off your smarts by presenting at one of our meetings
- @ Join one of our working groups to explore your special interests
- @ Peruse our document libraries
- @ We are fully independent, so you have the opportunity to openly communicate with fellow users. We are like the Vegas of user groups

The Independent Avecra Users' Group exists for the purpose of facilitating communication among users of Avecra products. We strive to provide a unified point of view in discussions with Avecra. The Users' Group focuses on solution sharing by pooling resources and information. We promote the long-term success of the product by providing support for Avecra through market research and product testing, among other initiatives. The Avecra Users' Group is fully funded by membership dues and receives no financial support from Avecra.
