# 2nd Annual Agriculture Unmanned Systems Conference

## **Tuesday February 11, 2014 — Morning**

### **8:00 AM Registration Opens**

#### **Introduction and Keynote Speaker**

Mr. Bo Warren, Director of Georgia Agribusiness Center of Innovation

#### **Featured Morning Presentations:**

“From Flight to Field: UAVs as a Service for Agriculture”  
- Steve Weber, VSG-Unmanned

## **Tuesday February 11, 2014 — Afternoon**

### **Featured Afternoon Presentations:**

“FAA Rules on sUAS in Ag Ops”  
- Mike Wilson, Federal Aviation Administration

“Addressing with Technical Education the Widening Skills  
Gap in the High-Growth Area of Precision Agriculture  
Applications of Unmanned Systems “  
- Richard Holloman, ElleVision

“Improving the Exploitation of Unmanned Systems Data”  
- Dr. Besma Abidi, Phelps2020, Inc.

### **Afternoon Demonstrations:**

Video and Image Correction in Software, Phelps2020, Inc.

Quadcopter Flight Demonstration, Georgia Tech Research  
Institute

Tethered UAS Flight Demonstration, ElleVision

### **5:00 PM Evening Reception**

# 2nd Annual Agriculture Unmanned Systems Conference

**Wednesday February 12, 2014 — Morning**

**8:00 AM Registration Opens**

**Featured Morning Presentations:**

“Aquarius: The Watering Robot”

- David Dorhout, Dorhout R&D LLC

“Applying Multi-Sensor Correlation Analysis Techniques to Automate Crop Health Analysis”

- John Lambert, Nexutech, Ltd

“Sustainable Solutions using Unmanned Vehicles in Agriculture”

- Dr. Glen Rains, University of Georgia

Charles Hall, Georgia Fruit and Vegetable Growers Association

**Wednesday February 12, 2014 — Afternoon**

**Special Lunch Web Presenter:**

“R&D for Future Unmanned Vehicles in Agriculture”

- Dr. Dan Schmoldt, USDA National Institute of Food and Agriculture

**Panel Discussion:**

Dr. Dan Schmoldt, Charles Hall, Dr. Eric Corban, and more!

**Featured Afternoon Presentations:**

“Unmanned Agriculture Research Flight Tests”

- Dr. Eric Corban, Guided Systems Technology

**Agriculture Unmanned Systems Working Group Discussion**

# 2nd Annual Agriculture Unmanned Systems Conference

**Thursday February 13, 2014 — Morning**

**8:00 AM Farm Tour Boards Shuttle**

**8:30 AM Short Lecture 1**  
Introduction to Geographic Information Systems  
(GIS)

**9:30 AM Short Lecture 2**  
Introduction to Unmanned Aerial Systems

**10:30 AM Short Lecture 3**  
Introduction to Data Management

**11:30 AM Farm Tour Returns and Conference Wrap-  
Up**
