Your **tax-deductible** contribution supports the AUVSI Foundation and its student competitions in promoting technology, research, funding and industry support of unmanned systems.

The AUVSI Foundation recognizes that unmanned systems need to be an educational discipline in order for the industry to grow. As part of its educational campaign, the AUVSI Foundation created student competitions as an opportunity for students to apply their skills in the development of autonomous ground, air and maritime vehicles.

The AUVSI Foundation is a tax-exempt public charity under the IRS's 501(c)3 internal code. Your contribution to the AUVSI Foundation is 100% tax deductible.

To learn more about the AUVSI Foundation and AUVSI's Student Competitions, go to: <http://www.auvsi.org/foundation> or contact AUVSI at +1 703 845 9671 or by email at foundation@auvsi.org.
