How to Manage Construction Claims - Panel Discussion

Thursday, October 23, 2014 (12:00 PM – 1:30 PM)

Marriott, Rancho Cordova • 11211 Point East Dr., Rancho Cordova, CA 95742

TO BE DISCUSSED:

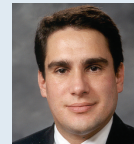

Join us for a compressive overview of the tools you need to prepare, manage and respond to construction claims. Our panel of experts will discuss ways to mitigate claims from contract review to identify potential claims, contract negotiating examples that preserve contractor rights while maintaining customer relationships and also provide you with an outline of what to expect once involved in a claim.

This panel discussion is geared towards Owners, CFO's, Project Managers, Contractors, Subcontractors and anyone in your company

Discover what you need to know about construction claims from our panel of experts as they share:

- How to foresee signs that there may be trouble coming
- Understanding what your contract requires before and during execution
- When and how to involve legal counsel and process for mediation, arbitration, and court
- What to do from the legal perspective / what is realistic
- Guide you on Job Record keeping to fight against claims
- Production tracking that helps with impacted productivity and delay claims
