How to Attract and Hire the Best Employees

Cindy Lynch and Rhonda Holloway from Six20 Partners

Many sectors of our industry are finally seeing business expansion and are hiring new employees. Hiring competent individuals that properly fit your business culture is key to your future success.

Our speakers will explain how to develop the process and metrics to hire the best employees for your organization. They utilize the "Predictive Index" behavioral assessments tool that is successful in pinpointing great employees. The index is a survey designed to determine responses to business routines and challenges. All attendees will be invited to participate in the survey.
