Did you know that if you trained your superintendents to use an iPad or tablet that you may be entitled to up to \$500 per person in Georgia tax credits! Tax Credits are available for employee training for new software, upgrades, additional modules, customized systems for document imaging, website related upgrades, customer relationship management systems, mobile devices, and more.

Don't miss out on this opportunity to identify the Georgia tax credits available in Georgia, understand what is required to qualify, and to analyze the tax credit opportunities for your organization.
