

Jim Tinsley

Jim Tinsley, President and co-founder of Alphareresults which assists companies in utilizing Georgia tax credits for businesses. He has over 35 years of experience in tax credits, information technology, and business process re-engineering. His background includes consulting, sales, and executive management. Consulting engagements that Jim has been involved with include tax credit analysis, business process re-engineering, and training. He has experience in tax credits while working at EY (formerly Ernst and Whinney) and is a frequent speaker at Lorman seminars and Georgia Society of CPAs events.

Education: B.I.E. Georgia Institute of Technology, M.B.A. Kenan-Flagler Business School, University of North Carolina-Chapel Hill

Since 2002, Alphareresults professionals have provided clients with broad experience in Georgia tax credits and incentives. Our expertise and knowledge of the regulations, filing requirements, and compliance are extensive. The firm maintains valuable relationships with the agencies involved with issuing and regulating these credits.
