

A very important date for your diary: Thursday 21st June 2012!

I have great pleasure in announcing that the CoreNet Global UK Chapter is holding a Summer Party on Thursday 21st June 2012 at a wonderful new venue within the moat of The Tower of London.

As a change to previous years, we will be holding a separate breakfast event to present the Awards early in 2013 and details of that, along with the nomination process will be announced next year. The Summer Party will be a purely social event so come and join us for a 3 course black tie dinner with speaker and entertainment. It's a great chance to host your clients and guests, mingle with colleagues and friends and enjoy an evening of social networking surrounded by one of the City's most iconic landmarks.

We will be sending more information and booking details early in the New Year but wanted you to get this in your diary early - Thursday, 21st June 2012. There are many affordable sponsorship packages available too, all of which will include a prime position table. For more details, call Alison Judd on 01722 341688.
