

THE REMMY AWARDS: RECOGNIZING LEADERSHIP EXCELLENCE AND BEST PRACTICES IN CORPORATE REAL ESTATE

CRE LEADERSHIP EXCELLENCE | End-User

The CRE Leadership Excellence Award recognizes a corporation's Canadian real estate department that has best demonstrated leadership and innovation throughout its real estate portfolio.

CORPORATE CITIZEN | End-User / Service Provider

The Corporate Citizen Award recognizes a Canadian organization or individual whose culture and development product/project represent commitment to sustainable design and social responsibility.

WORKPLACE OVER 20,000 SQ FT | End-User / Service Provider

The Innovative Workplace Award recognizes a team whose collaboration and vision on a specific project over 20,000 sq. ft. raised the bar for real estate in Canada, and brought innovation and sustainability to the workplace.

The project team should include a corporate real estate executive and the project service providers on a specific project (including, but not limited to: architect, contractor, project manager) and describe relationships within the project.

WORKPLACE UNDER 20,000 SQ FT | End-User / Service Provider

The Innovative Workplace Award recognizes a team whose collaboration and vision on a specific project under 20,000 sq. ft. raised the bar for real estate in Canada, and brought innovation and sustainability to the workplace.

The project team should include a corporate real estate executive and the project service providers on a specific project (including, but not limited to: architect, contractor, project manager) and describe relationships within the project.

YOUNG LEADER AWARD | End-User / Service Provider

The Young Leader Award will be given to an outstanding young professional 35 years of age or under, employed or in a service capacity in corporate real estate in Canada. The individual will have distinguished themselves in their profession and is considered to be a future leader of the corporate real estate industry.
