Electronic Data Methods (EDM) Forum Stakeholder Symposium
April 8, 2011
The Madison Hotel
Washington, DC

Meeting Objectives

I. Update the community on the work of the EDM Forum and the participating research projects (PROSPECT Studies, Enhanced Registries, and Scalable Distributed Research Networks).
II. Provide stakeholders with the opportunity to:
    a. share innovative ideas and/or provide updates on projects they are involved in that have bearing on the infrastructure and conduct of CER; and
    b. provide input on priority topics and activities the EDM Forum should address.
III. Encourage participants to engage with the EDM Forum online, providing feedback on emerging topics and activities related to building infrastructure for conducting CER with prospective electronic clinical data.
