

DAC Roundtable on Development Innovation for Agenda 2030

Co-hosted by Canada and the Development Assistance Committee (DAC)
November 21, 2017

13:30 – 17:00

Canadian Cultural Centre, 5 rue de Constantine, 75007, Paris

Program

Purpose: Enhance shared understanding and knowledge of DAC members on the development innovation landscape, share the work of the DAC and the International Development Innovation Alliance, and position the DAC for future success on development innovation.

13:30 **Arrival and Networking:** (coffee and tea will be available)

14:00-14:30 **Scene Setting:** Presentation on the Role of Innovation in the Global Development Landscape (plenary). Speakers:

- Charlotte Petri Gornitzka, DAC Chair
- Jorge Moreira da Silva, Director, OECD Development Co-operation Directorate
- Elissa Golberg, Assistant Deputy Minister, Strategic Policy, Global Affairs Canada

14:30-16:45 **Insight Talks:** Development Innovation in Practice

Each insight talk theme will have 2 presenters. Initial 5-7 minute presentation on members' experience focused on successes, challenges and needs. Two questions per theme to start the discussion, then roundtable for questions and answers and members' sharing of experiences.

14:30-15:15 **1) Organizational Tools for Innovation**

Presenters: UK DFID

Benjamin Kumpf, Policy Specialist, Innovation, UNDP

15:15-16:00 **2) Innovative Finance for Development**

Presenters: Alexis Bonnell, Division Chief, Applied Innovation and Acceleration, U.S. Global Development Lab, USAID

Alix Zwane, CEO, Global Innovation Fund

16:00-16:45 3) **Measuring & Tracking Development Innovation**

Presenters: Joshua Tabah, Director General, Inclusive Growth,
Governance and Innovation Partnerships, Global
Affairs Canada

16:45-17:00 **Canada, DCD, and DAC to provide reflections and next steps**

17:00 **Wrap-up**
