Melinda R. Peña CPS/CAP

Crime Deterrent Specialist & Motivational Speaker

If you were attacked, would you know what to do?

How to avoid becoming a victim of violent crime

The seminar emphasis is on practical precautions that administrative professionals can take to reduce their ability to violent assault in the workplace. The program is suited to both men and women and also covers the home, situations in cars, parking lots and of course the streets. This is very serious information presented in a humorous manner. For more information, please visit:
