Our final program meeting for the 2010/2011 year took place on **Tuesday, June 14, 2011**. This is a time where we reflected on the accomplishments of our Passion & Purpose year with membership recognition along with the installation ceremony of our upcoming Board members.

**In order for our Association to continue to grow, sustain membership and attract new members, we all, no matter what level, must accept personal responsibility for our associations' growth, innovation and stability. I am confident that your newly elected body will serve you with passion, purpose and professionalism that will only equal progress.**

Enjoy the summer and see you again when the programs resume on September 13, 2011.
