

The Queen City North Chapter IAAP

presents

DEATH BY POWERPOINT

Are you guilty of creating and delivering BORING presentations that no one remembers? Want to change the way you view PowerPoint?

David Bowman, Chief Marketing Strategist for Penny Ohlmann Neiman, Inc., will offer tips and techniques that can help you avoid falling victim to "Death by PowerPoint". This presentation will be informative and contain many real world examples on how to improve your PowerPoint techniques.

David E. Bowman, is an accomplished presenter and public speaker. Bowman has addressed audiences at numerous institutions and organizations on topics such as networking, social media, blogging, and marketing. Bowman holds a Bachelor of Arts Degree in Political Science with a minor in Communication from Wright State University and an MBA with a concentration in Marketing from the University of Dayton

Attend this session to:

- Common mistakes that presenters make when using PowerPoint
- Simple resources for creating more powerful presentations
- Tips for developing presentations that are both meaningful and memorable
- Laugh while you learn
