## **The Power of Understanding: Improving The Relationships At Work/Home**

**MARTHA LANIER**  
[www.marthalanier.com](http://www.marthalanier.com)

This visual and interactive session provides solutions on how to identify different behavioral styles and how to best communicate with them. Concepts are based on understanding how we each respond to solving problems, influencing others, reacting to situations and following procedures.

Attendees also learn to eliminate conflict by acknowledging the differences between the generations. Attendees leave the session with key learning points they'll apply right away and company management can use the program to launch crucial discussions for understanding within their own culture.
