Program: Goal Tending - 5 Steps to Get You Where You Want to Be!
 Goal Tending looks at five easy steps to help you move toward the outcomes you desire, a new job, a finished manuscript, or simply a better life. Participants will define result they want to reach by year's end, shape it into a SMART goal, learn how to get out of their own way, and take steps to move toward their goal every day. Learn other tips/techniques to keep your eye on the prize and get the results you want.
