**TCW Toy Chest Collection Drive**

We are going to be working once again with ResourceWest, a community based non-profit organization that serves communities living in the west metro area. It's Toy Chest collection drive provides new gifts to over 1,200 children of local low income families ranging from newborn to age 17. ResourceWest's aim is to provide these families with one large item, two smaller items, and stocking stuffers for each child. Kindly drop off your donations at either of our Chapter Meetings on November 10 or December 8. Flyers with suggested gift ideas will be provided at the meetings and in emails from the Community Service Committee. Any cash contributions will be used to purchase crib toys, Duplo sets and duffle bags.

As we prepare to celebrate the holidays, let's take a moment to think about the less fortunate in our community and how we can spread some cheer to these underprivileged children.
