Announcements

Presentation!

Mrs. Moore is going to be presenting, along with co-presenter Jheri Castic, International Recruiter for, CRTS, Inc, "Mentoring -the Forgotten Initiative Virtualized" at the 2010 National Conference on Learner Centered Teaching. This presentation will give attendees ideas on how to include collaborative partnerships between industry individuals and students in a cost effective, time saving and productive way. Participants will walk away with ideas on creating their own virtual mentorship program, and students will learn communication skills at the same time!
