But First October

Showing our support for Red Ribbon week!

Look at us working on our door decoration.

What a team we are!

It's our Halloween dress-up day. Yay!

Now back to November

What we are learning now.

This month some people are working on Excel and Outlook, Word and Outlook, or they are working on Human Resources. Most people are finished with Outlook or finishing up with it. Everyone is working on *The Traveler's Gift*. *The Traveler's Gift* is a new book the class started reading and discussing together.

Internships

All students are required to complete an internship. Some students are leaving in January and need a place to intern, so if any of your companies would like to have an intern please let Mrs. Moore know as soon as possible. Thank you.

Turkey Challenge

We have two weeks coming up in which we have something called the Turkey Challenge. The Turkey Challenge is two weeks of competition. The competition is to see who can bring the most canned food items and they are the champions. One day of the two weeks we put aside to have a fun day of activities.

Blood Drive

We are having a blood drive on the 11th this month. Where we have a chance to give our blood in hopes it may save a life one day that is all we can really hope for. That's why we put our fears behind us and GIVE BLOOD!

A step into the future... December

Baskets

We are creating a gift basket for an action. We are working on a theme at the moment. So far we are leaning towards the Christmas theme. We would love your vote here are our theme ideas and let us know if you have any suggestions to add please. The PM Class is doing a "Game Night"
