In addition to individual visitors, the CN Tower is the locale of many wonderful group social functions:

TOP OF TORONTO REVOLVING RESTAURANT seats up to 400 people and SPARKLES LOUNGE and INDOOR OBSERVATION LEVEL will accommodate up to 800 for a reception and evening of dancing under the stars.

It's more than a visit ... more than an occasion of dining or dancing ... it's a unique experience of excellent food and service plus an unforgettable view of our City, Toronto Islands and Lake Ontario.

Enclosed is our brochure together with a general information sheet. Upon request, I will be delighted to mail you a set of banquet menus and fact kit.

I hope your convention is successful and that you thoroughly enjoy our City.

Thanks for taking this opportunity to visit and dine at the CN Tower.

Should I be able to help you in any way, please call or write to me.

Sincerely yours,

WHY SETTLE FOR A CONVENTIONAL CONVENTION?

Consider the average function at
the average convention.

Usually, it's just that—average.

But if you're looking for something
just a little bit different, just a little
unconventional, consider the CN Tower.

Breakfast, brunch, lunch,
dinner, opening and closing receptions
or spouse's program—they all become
something special when accompanied
by one of the most remarkable
views you can find anywhere.

Whether it's dining at Top of Toronto
Revolving Restaurant, an evening
of dancing and stargazing at Sparkles
Nightclub, or simply the opportunity
to enjoy a spectacular view of the city,
arrangements can be made to please
everyone in your organization. And you'll
also be pleased by our convenience to
downtown hotels and by the fact that
there are no elevation or rental charges
with the purchase of food or beverages.

If you're interested in making one
of your convention events thoroughly
unconventional, call or send for
more information.
