### **“BEING A BUSINESS PROFESSIONAL IN A TECHNICAL WORLD”**

As a business professional, our world has become more overwhelming with the constant new technologies and software. The familiar paper trail and phone calls are slowly disappearing and the electronic world has taken over. Even though many of us want to resist the change, it is time to understand the pieces of it that can benefit our lives. During this seminar, we will learn:

- Social Networking: Facebook vs. LinkedIn...which are more beneficial to us
- Smartphones: How smart they really are
- QR What? Learn what a QR code is and what it can mean to us
- Helpful applications and websites

*Presented by Dana C. Morgan, CAP-OM, Cherokee Rose Chapter's President Elect*

**1.5 Recertification Points Approved**

*Regular monthly chapter business to be conducted.*
