Past ROI Comments From Attendees:

“In order for me to stay effective in my job, I have to understand the major trends that impact my organization.”

“I learned problem solving: the practice of separating the symptoms from the problems. I also learned risk management; when taking a risk, look for the opportunity.”

“Office 2007 and the interactive website offered by Microsoft— I was able to assist others in our office since we just upgraded to 2007.”

Total Return

The value you receive from the knowledge and connections you make by attending IAAP meetings will pay off immediately back at the office and for many years ahead as your new ideas are implemented and relationships continue to flourish.

Smart Idea

Multiply your total return by the number of teammates with whom you can share your knowledge and connections.
