President's Message

Closing out our 2009-2010 year for the Indiana Division, I appreciate this opportunity to thank each of you for the hard work and the commitment you have made to the members of the Indiana division. The successful annual meeting we experienced in Columbus was just such proof of your commitment! Paula Shelton and Melinda Burton, along with the entire Athens of the Prairie membership showed us some great 'Southern Indiana' hospitality! We thank you so much for all the hard work during the past year. And wasn't it great having Wendy Melby, CPS/CAP, our Great Lakes District Director join us? Many of you spent some time welcoming back our Parliamentarian, Marjorie Weber, who also enjoyed the meeting.

Congratulations to those who recertified or received their CPS/CAP certification this past year. And I am proud to report that we increased the Members of Excellence within the division by 3%! That may not sound like a big increase, but we are seeing more members pursue this recognition.

In July, your chapter and division delegates will be traveling to the East coast to visit Boston while attending the EFAM. We are looking forward to hearing Erin Brockovich!

It has been a challenging year for many of our members. Although we know many of them were unable to continue their IAAP memberships due to the lack of corporate support, loss of income, or family issues, many others received support from their chapter members. Our membership remains strong and we are optimistic that new members will begin to find their way into this professional organization.

We continue to work with a Northern Indiana university in pursuing a corporate chapter, and we are finding additional members interested in a virtual chapter.

Thank you to all the committee chairpersons and their members who have supported the division and its members during the past year. You are a very important part of this division!

Successful 'Exploration' in Columbus at 2010 IDAM

Congratulations to Paula Shelton, Melinda Burton and the entire Athens of the Prairie Chapter in hosting a great division meeting for 2010! Attendees learned about 'personal branding' with Great Lakes District Wendy Melby, CPS/CAP; enjoyed networking and shopping at the Open House; successfully completed the annual division business; enjoyed informative and interesting guest speakers and high energy entertainment; all in relaxing and comfortable accommodations! New this year, our Scholarship Breakfast, or "CSI" event, challenged all our chapters to make donations to the Indiana division scholarship fund through sacrificing a weekly special coffee. The Maple Chapter brought in the 'heaviest' cash, and the division raised \$700!! Thanks to all who participated, and to the River Bend chapter for their creative idea! Harrison College, a faithful supporter and partner of IAAP here in Indiana, received the 2010 Award of Excellence. They were nominated by the '500' Chapter. The division awarded our very first \$500 scholarship award former Ivy Tech student, Members received certificates for their years of membership and for achieving or renewing their CPS/CAP certifications. Past division presidents and officers were honored along with the division committee chairs and the annual meeting committees.

We love working with IAAP Members!
