

Quintus Chapter – Brantford presents:

Top 25 *Common Mistakes in English* You Can't Afford to Make

Ulla de Stricker, MA MLS
President, de Stricker Associates

Our use of language sends a powerful message about our competence. The fact that certain grammatical errors are common and widely committed is no justification for repeating them - let others carry on with language flaws while we stick to what is correct! Ulla covers 25 frequently encountered errors and explains - in plain and memorable terms - how to reason our way through any doubt. Ulla is a delightfully engaging speaker - you won't want to miss her! See www.destricker.com for more information.
