- Next meeting:** Tuesday, May 15, 2012
-

I. Welcome and Introductions

We had a small group at the March meeting and we all knew each other so no introductions were needed.

II. Dinner

We had a wonderful dinner at the Speakeasy following our Rhyme Business Solutions demonstration.

III. Program

Curt Terry explained a little history of the company (along with Kim's introduction of him that made him blush), gave a little bit of insight how his company is integrated with many more around the area, and teased as to some of the accounts he handles.

Curt demonstrated a Sharp copier (MFD to be exact = Multi Function Device) as well as Sharp's huge 70" screen that he used as a remote display of the copier to show us how it works. The screen can also be used as a "smart board" whiteboard, a huge computer monitor, video conferencing & more. The technology of the copier and smart board was very interesting to all of us and Curt's humor kept us laughing.

IV. Business

- o Kim motioned to approve the March minutes as written, Roxanne seconded.
- o Sally summarized the Treasurer's report and will put them on the SWANI website soon.
- o We're up to possibly 4 SWANI members attending WDAM in May (Nancy, Roxanne, Sally, & possibly Gloria).
- o Nancy asked if anyone other than herself is going to the international conference in Grapevine, TX this year but no one knew. Since she is the one we know for sure is going, she's going to be our delegate (Gloria motioned to approve).
- o Lisa sent out the proposed amendments to the rules to be voted on during WDAM to the group today for your review. Sally will be our delegate (Aimee motioned to approve, Kim seconded).
- o SWANI will have its own Facebook page soon! No one in this group, nor on the IAAP discussion boards can come up with any reasons not to so we're moving forward. Aimee will create the page soon. We can post news about chapter and division events and get our chapter name out there to recruit new members.
- o We've finally been approved for the Magnabilities fundraiser. The SWANI code to use at checkout is 7771. Kim will send more information to the group with instructions & the website address soon.

V. Announcements/Good of the Order

- Mandy got a promotion to Advanced Customer Service Representative at Swiss Colony – congratulations Mandy!
- The Janesville Country Club is hiring bartenders, cart drivers, etc. for summer.
- There's a band concert this Friday. If interested, please contact Mandy Doersam.
- 50/50 Raffle winners – Nancy won the Avery gift basket, Tammy won \$22 for the 50/50 raffle, Sally & Kim won other small gifts.

VI. Adjournment

The meeting adjourned at 8:15 p.m.
