#### **I. Welcome and Introductions**

We went around the room and introduced ourselves since we had two guests join us from Mercy.

#### **II. Dinner**

We had a fabulous choice of entrees from HHFFRRRGH's and everyone chose something a little different. The food and service there was excellent as always.

#### **III. Program**

Kim provided a challenging football test and we all realized that none of us are football fact experts. Mandy beat us all by getting the best score though and she was rewarded with a small gift.

Nancy gave a wonderful presentation, inspired by Vince Lombardi, to get us all feeling like an important part of the SWANI-IAAP team. We huddled up and read Lombardi quotes and each of us gave our own little promise of what we'll do for the team this year.

#### **IV. Business**

Nancy Arnold installed the 2011 – 2012 officers since we were unable to do it at the June meeting. (Lisa Skarlupka – President, Kim Rebarcek – Vice President, Aimee Bierman – Secretary, Sally Keena – Treasurer)

Mary Hesse motioned to approve the Treasure's Report as is and it was seconded by Mandy Doersam.

The budget sheet was not available tonight. It will be available at the next meeting.

#### **V. Announcements/Good of the Order**

Mary Hesse got a promotion to "Senior II." I'm sure there is more to that title but that's how her guests referred to her so that's how we'll state it.

Mandy Doersam has had more interviews recently and has another phone interview on Thursday.

Mary Hesse won the 50/50 raffle (\$20).

Kim Rebarcek won the Green Bay Packers t-shirt that was raffled.

#### **VI. Adjournment**

The meeting adjourned at approximately 8:15 p.m.
