PRESIDENT'S MESSAGE

Maria Carney CPS, AIS, President

My boss writes encouragement memos every few months. He calls them SOAP memos. SOAP stands for Service, Ownership, Accuracy, and Productivity. Recently, he talked about HOPE as a good word for this time of year! HOPE stands for High Output, Positive Environment. Both of them describe IAAP and the Presque Isle Chapter, as well as my workplace.

He made a good point about "hope." Without a positive environment, it's just "ho." This is not very inspirational. It reminds me of something very boring – like studying for insurance exams.

On the other hand, "hope" without high output is just "pe." This is even less motivating. We have to have both of them together for our chapter and IAAP to be both fun and challenging.

In trying to keep our Chapter strong, we have been asked to do a lot of work lately (ho). Some of it's been real challenging; getting members to join, attending the meetings, finding interesting speakers, etc. It can become very exhausting. With a little more fun (pe), I think we will find the challenges exciting and rewarding. We'll find that we can do things that we thought would wear us down. It's something like: "a spoon full of sugar helps the medicine go down."

I'm looking to keep fun in the chapter. I encourage each of you to "Believe In Your Dream" and remember it all started with a "Mouse."

I hope all of you had a wonderful Christmas and a Happy New Year. I am looking forward to this New Year to recharge, refresh and reflect on many things to come.

Please be sure to join us at Blasco Library on January 8th for a tour of the Library. Our business meeting and dinner will follow at the Marketplace Grill.

We'll be collecting items for our Chinese Auction, so please bring them to any of our business meetings beginning in January. If there happens to be a Christmas gift you received that you're not crazy about, donate to us!

MEMBERSHIP COMMITTEE

Have you ever considered Professional Certification? Certification through IAAP is the internationally recognized standard of excellence. There are two ratings that can be achieved, the Certified Professional Secretary (CPS) and the Certified Administrative Professional (CAP). The topics covered in these exams include office systems and technology, office administration, communications, business finance, legal issues, management, and advanced organizational management.

The Presque Isle Chapter currently has a small study group preparing to take the exam in May. Why not consider joining the group and becoming one of our chapter's newest Certified Professional Secretary and Certified Administrative Professional!
