Southwestern Corn Tortilla Soup Mix

This soup has a wonderful southwest flavor. Not too mild but not too hot. Need to add 1 ingredient (diced tomatoes with green chiles).

Northwoods Creamy Wild Rice Soup

This soup comes complete with wild rice and flavor included. Add 1 ingredient (evaporated milk).

Country-Style Creamy Potato Soup

Has the flavor of a twice baked potato. Nice hint of smoke in the soup mix. Need to add 1 ingredient (evaporated milk).

Southwestern Cheesy Potato Soup

Imagine a creamy cheese soup with a Mexican flair. Need to add 2 ingredients (milk and diced tomatoes with green chiles).

Chipotle Black Bean Soup Mix

A great soup with a little kick. The flavor of smoked chipotle peppers really comes through. Need to add 1 ingredient (tomato sauce).

Antonio's Minestrone Soup Mix

The complete Italian flavor you can expect in a soup. Add 2 ingredients (ground beef and tomatoes). Have a little roast beef leftover, use it in this soup.

Old Plantation Split Pea Soup Mix

Add water with the optional additional of diced ham.

Gulf Coast Savory Bean Soup Mix

New Orleans Red Bean & Rice Soup Mix

If you like a soup with an attitude, this has all the flavors of New Orleans. Add only 1 ingredient (canned stewed tomatoes). Add a little smoked sausage or ham if you like.

Olde Bill's Favorite White Chili Soup Mix

Do you love white Chili but can't find time to prepare it? This one takes 30 minutes, honestly. Need to add 3 ingredients (cream of chick soup, canned green chiles and canned chicken breast meat). Simple!

Kansas City Steak & Ale Soup Mix

A hearty flavor for the real beef lover. You need only to add 3 ingredients to this soup (beef, tomatoes and beer). If you have a leftover roast beef, cut it up into bite-size pieces and add to soup. We recommend a dark beer such as O'Doul's Amber or Guinness Stout, however, use your beer of choice.

Creamy Garden Vegetable Soup Mix

A delicious way to get all those fresh garden vegetable flavors in one soup. Just add 1 ingredient (evaporated milk).

Garden Chipotle Pasta Soup Mix

Mixing the Chipotle spice with Pasta to step your meal up a notch. Just add 2 ingredients (diced tomatoes with green chiles and evaporated milk). Add a chicken and or corn if you'd like.

For those who prefer lots of flavor in a simply prepared soup mix. Add 1 ingredient (canned chicken breast meat or 2 cups cubed chicken).

Creamy Broccoli Cheese Soup

The cheesy and broccoli flavor you would expect in a great tasting soup. Add 1 ingredient (milk).

Three Rivers Chili Verde Mix Package

A blend of spices that takes green chiles to another level.

Mesa Flats Chicken Enchilada Soup Mix

This is a soup that tastes like it came from the finest southwestern restaurant and yet is simple to prepare. Add 2 ingredients (canned chicken breast meat and cream of chicken soup).
