A Message from the President

IAAP's Educational Forum and Annual Meeting (EFAM) was an exciting experience. It was quite evident that the influence of IAAP is not just on individuals, chapters or divisions. IAAP's influence is international. Jami Wilson, CAP, and I had the opportunity at EFAM to meet IAAP members from around the world and we were all there for the same reason; we want to be the

best at what we do. This was also a great networking opportunity for making those connections that could potentially help professionally and personally. You never know when your boss may travel to a city where you have an IAAP connection from whom you could get valuable information for him/her, therefore, making yourself indispensable.

Programs are provided for members from the international level, i.e. EFAM, to the chapter level, i.e. monthly programs and seminars. It is up to each member to take advantage of those opportunities to develop the skills needed to increase productivity and value. By increasing our worth to our employer, we actually increase our self-worth. When we feel better about the job we do, we will do a better job. The benefits keep increasing.

The Birmingham Chapter board is working hard to provide programs and networking opportunities for each of our members to grow professionally and personally. You will only get what you are willing to go after. If you want to learn new skills and network, then you need to attend the meetings and programs. Our chapter is only as good as its members. No matter how hard the board works, it depends on each of you to make our chapter the best it can be. For this chapter to grow and thrive, for each individual to grow professionally, we need you. We need you to step up and have a vested interest in this chapter. Let us know what you need and expect if we are not providing it. Let us know what will make your membership more valuable to you. We are listening.

At the end of the day, we each want to be able to stand and say we did our best and made a positive difference in the world around us.

Remarkable is not a destination, but rather a journey. The path changes constantly. We cannot remain in one place. What is remarkable today, may not be remarkable next week or next year. By announcing that we are Making the Leap to Remarkable to the world, we have to continue to benchmark and challenge ourselves to be just that - there is no resting on our laurels.

We have to be brave. Rather than fear change, we must go forth and make our mark. IAAP must continue to grow and change, so we, rather than others, will be challenging and defining what is remarkable not only in our association, but in our profession. We have to endeavor to step up, think big and lead the way.

Mobile Devices And The Office

Mobile devices have become ubiquitous. Let Annette Marquis from TRIAD Consulting tell you what it means for you as an admin, if you should be bucking for some of your own, and what's the upside and downside of this techno-invasion.

Let Me Hear Your Body Talk

Body language speaks louder than words. But exactly what it says can depend on one's culture and other factors.

Admin: From Task Master To Innovator

Dan DeSalvo says that the role of the admin is changing – employers are now requiring that career-minded admins step up to the plate and use both left and right sides of the brain. Can and should all admins meet this expectation?

Oh No She Didn't!... *Clinton Kelly*

"I am only going to say this 27,352 times before my career is over: Instead of the Mom Jean, go buy a pair of dark-wash trouser jeans. They should rest about an inch below the belly button. They should also hang from the widest part of the hip, straight to the ground. Hem them so that they are about a quarter of an inch off the floor. Then throw your old jeans into the biggest, most raging, blazing fire you can find."

Chapter of Excellence

CONGRATULATIONS! We are happy to report that the Birmingham Chapter fulfilled all criteria to become a **Chapter of Excellence for 2010-2011**. The chapter could not have achieved this honor without the efforts of our members.

A Chapter of Excellence receives a podium banner (first year) and in subsequent years will receive a banner year patch. Each year, the CoE award will include one of the following two options: a \$100 IAAP gift certificate or \$150 credit toward subscription to the IAAP Web Community.

The board has elected to accept the \$150 credit to the Web Community. Over the next few months, watch for significant changes in our webpage and how we distribute information to members.

Criteria for Chapter of Excellence are as follows:

1. Chapter submits annual meeting calendar with education and/or training topics to the members with a copy to the division by October 1.
2. Chapter submits budget and annual financial review/audit report to the members with a copy to the division by December 31.
3. Chapter holds at least one Membership Drive between July 1 and May 31. Chapter submits completed Membership Drive Evaluation form to the division by June 1.
4. Chapter holds at least one New Member Orientation between July 1 and June 25. (New members in attendance must have joined IAAP within the current IAAP fiscal year.) Chapter submits New Member Orientation Evaluation form to the division by June 25.
5. Chapter develops and updates business plan. Chapter submits business plan to members with a copy to the division by April 30.
6. Chapter sends a delegate or submits a proxy (if allowed by division bylaws) to the Division Annual Meeting held in the current IAAP fiscal year.
7. Chapter sends a delegate or submits a proxy to the International Education Forum and Annual Meeting held in the current IAAP fiscal year.
8. As of June 30, at least 7% of the chapter members (minimum of 2 members) qualify for Member of Excellence.
