

President's Corner

Can you believe that it's almost Memorial Day! Where has the year gone?

Looking back, I hope you agree that we have had a good year. Our education programs have been excellent! Eight of the ten programs offered recertification points. Administrative Professionals Week was celebrated a little early with our half day workshop. Our membership has stayed the same. We gained four new members but lost four members. All I can say is we have done our best.

Our June meeting will be held in a different location. We are going to give Fitzzy's Pub a try. It is easy to find. Marie McCooley, Librarian for BREVIS software will give us tips to help us avoid carpal tunnel problems.

Sharon McPherson, CPS/CAP, Greater New England Division (GNED) President, will be our special guest. She will serve as the installing officer for Diane Souza and her board as they get ready for the 2011-2012 IAAP year that begins on June 1.

As summer approaches, chapter activities slow down. The work doesn't stop. Our new board will be busy reviewing and updating the business plan and preparing the new chapter brochure. If you have an idea for a program or a speaker, please let Diane know. I hope to see many of you at the June 1st meeting.

Gerry

Certification Study Group

Our study group is taking a short break but will resume again soon for those who plan to take the certification exam in November. If you are taking the November exam, you must register by August 15, 2011. Look for the information on the new format on the IAAP website.

2011-2012 Slate of Officers

The Nominating Committee is pleased to announce that we have a full slate of officers for the 2011-2012 IAAP year.

President – Diane Souza
Vice President – Dorothy Raymond
Secretary – Julianna Fanning
Treasurer – Maxine Frutkoff

The election and installation of officers will take place at the June meeting. Nominations will also be accepted from the floor should any member decide they would like to run for office.

Yard Sale – Date Postponed

We still need your help to stock our Yard Sale table! If you are cleaning out closets or your basement? Crossroads can help you get rid of some of the gently used items that are taking up space. Diane Souza will let you know the date for this sale as soon as it is confirmed by the 2011-2012 Crossroads board.

The form for the Crossroads Chapter has been submitted. We are waiting to hear if our submission has been accepted.
