

President's Corner

Spring has arrived and with it the last quarter of the 2010-2011 IAAP year. You can feel the renewed energy in the air. The sap is flowing again in the trees and the bulbs are poking their heads up.

Members who were able to attend our March meeting learned more about the “Generations in the Workplace.” This was a very interactive program, and we all came away with tips on how to improve cross-generational communication at work and at home.

Crossroads will mark Administrative Professionals Week a little early this year with our half-day workshop. Invitations have gone out, and I hope to see many of you at the workshop on April 16 at Sensata Technologies in Attleboro. “Attitudes are Catchy! Is Yours Worth Catching?” We have extended our invitation to other chapters in the Greater New England Division and to non-members as well. Please feel free to share your invitations with your friends and family as well. We have plenty of room. **Reserve your spot today!**

We always look for ways to improve our meetings for our members. We need your input. Contact me or any of the board members if you have suggestions to improve our meetings and to promote our chapters.

Remember the Crossroads June yard sale when you are doing your spring cleaning! I look forward to seeing you on April 16 at Sensata Technologies.
