

International Association of
Administrative Professionals®
Grand Rapids Chapter

IAAP Web Community

Accessing Members Only Section and eGroups

Go to www.iaap-hq.org

Step 1: Click on Members

Step 2: Click on Network

Step 3: Login ****

Step 4: Click on eGroups

Step 5: Click on Grand Rapids

Once you get to the Chapter eGroup, go ahead and post a message letting us know you found it!

Also, while you are there, look around the website. You will want to check out the Member and Professional Resources as well as other eGroups.

Finally, take a minute and update your profile. The more information that you put into the profile the more networks and groups it will match you up with to connect with people. For example, if you attended Grand Valley State University, put that on your profile and the system will connect you with other GVSU alum.

Your Login and password are the same from the old website.

If you have never logged-in, then click on the "Need a login?" link. All you need is your membership number and name to sign up!!!

Your membership number can be found on your IAAP Card, your renewal invoice, or contact your Chapter Board President or Membership Chair.
