

Tastefully Simple

Tastefully Simple is known nationwide for taste-testing parties that bring together friends and family to taste delicious foods. They are a company with strong roots and humble beginnings. The company started in a backyard shed in 1995, and one by one by one, they've grown!

Tastefully Simple, the nation's original home taste-testing company, offers a wide variety of easy-to-prepare foods that you and your friends can taste before you buy. Did you know that with Tastefully Simple, every one of the products requires only two or fewer ingredients to make? It's true! This means you'll spend more time enjoying the food than you will preparing it. Great food does not have to be difficult, so go ahead and eat up.
