

What Will You Be Doing in a Year?

In the IAAP world, May is a busy time. As we look at finishing up things for the 2009/2010 year and prepare for the 2010/2011 year, there are many things to be done! Our Chapter activities for May include the Election of Officers, member submission of their Member of the Year tracking sheets, and finishing up our tasks to submit for the Chapter of Excellence and Member of Excellence Awards. We are also voting on proposed changes to our bylaws and standing rules. Have you been saving up your PESO's? I plan to award the signed copies of Joan Burge's books in June, so look through your purse and around the house and gather them up. Outside of our Chapter there is the upcoming Division Meeting in Casper and EFAM in Boston.

It is a time to review the growth we have experienced over the past year and ponder the next chapter in our IAAP lives. What will you be doing in a year? What do you want to do? The beauty of IAAP is that you can do anything you have the guts to try to do. You will have opportunities to learn and practice new skills and receive the support you need to succeed. If you want your life to change, you must take action to change it. If you want to move up in the admin world, you must add new skills to your resume. IAAP can help you do that - all it takes is a PESO...a commitment to YOUR Professionalism, Excellence, Success and Organization.
