Chapter News

Halifax-Dartmouth – will have its last meeting before summer with their June Social and Member Appreciation. The 2010-2011 Executive will be sworn in at that time. There will be a picnic buffet, ticket auction, and lots of fun!

Moncton – is already gearing up for **2011 Canada Divisions Conference - "Empowerment Through Knowledge" - Moncton, New Brunswick, May 12-14, 2011**

Mark this spectacular event on your calendar! This 3-day conference brings together administrative professionals from all across Canada to learn new skills, make business/service contacts and of course, have a little fun and lots more. We are lining up some great entertainment, trips and tours and fantastic food for a good ol' Maritime celebration.

East Coast Admins - Six members from East Coast Admins attended CDC. Hats off to the Canada District Director, Sharron Buttler, Co-Coordinators and all involved. It was all sooo excellent, enjoyable and amazing! We enjoyed the Annual Division Meeting and thought it was very well organized, educational and successful. We all learned a great deal from the whole conference. The

entertainment after the banquet was truly a highlight. Our very own charming Victoria Larkin CPS/CAP was one of the great members roasted so to speak by the one and only Royal Queen Victoria herself... You just had to be there.... Our chapter is finalizing a couple more criteria items for the Chapter of Excellence Award, preparing for our final short meeting followed by a bbq on June 14th. We would like to wish everyone a very happy and safe summer! God Bless!
