

The Greater O'Hare Chapter of IAAP cordially invites you to attend our **Annual Spring Luncheon**

Featuring Leslie Goddard as Jackie Kennedy

It is 1964, and former First Lady Jacqueline Kennedy is besieged by sightseers around her house in Georgetown. As she deliberates what to do next, she shares the story of her life in the White House, including her struggle to retain her family's privacy in the face of media onslaughts, her restoration work, and her attempts to showcase the arts. In a climactic revelation, she recounts her husband's death and comes to a heartfelt decision about how to begin a new life for herself and her children.
