10.40 EXHIBIT HALL BREAK

11.15 Keynote - Crossing Intersections - Dramatic Shifts in Legal Services and Leading Innovation

PART 1: Mary Mackintosh, General Counsel of Gowling WLG provides a view on the dynamic, conflicted, symbiotic ecosystems of law firms and their clients in developing new legal service delivery models. Mary shares advice on how to talk to your GC on things like Cloud, innovation, security and risk within the evolving legal industry.

PART 2: Stories of Innovation - focussing on the behavioral aspects of leading innovation in the legal environment, we have two stories: "Taking a Mad Idea and Making It Happen", "Creating Tech to Underpin Cryptocurrency" and "Search and You Will Find". Tony McKenna and Mary Mackintosh will then have a bit of a firesite chat with the storytellers.
