President's Message

My dear fellow IMA colleagues,

I hope everyone is enjoying the beautiful summer weather our Cleveland area is currently experiencing.

As I write my first message to you as the new President of your Chapter, I have mixed feelings of enthusiasm along with an honorable sense of responsibility. Likewise, I would like to thank our Past President, James Renz, for his exceptional leadership and dedicated service over the last four years.

As the world begins to open for in-person meetings, our chapter board is planning and organizing in-person networking events, activities and technical meetings. Our new chapter board and I will do our very best to develop and increase our members engagement by offering events, activities and technical meetings that are considered appealing and worthwhile to our members.

Our main aim is to support all our members by keeping us updated with the latest professional developments in the field of finance and management accounting.

On the evening of Thursday, August 25th, our chapter is holding a Lake County Captains baseball game and buffet picnic for members and their guests. Registration for this event will be available on the Chapter's website.

I am looking forward to seeing you at our next member event.

As always, please feel free to contact me or my colleagues from the Board of the Cleveland East Chapter. We would love to hear your ideas, suggestions, if you need some help or would like to participate in the chapter's activities.

Kind regards,

Dennis Rarick, CMA, CPA
