Other Fleet Management Courses Offered by IPWEA...

IPWEA Fleet Management Certificate... *Over 290 people have now enrolled in this course*
Self study. Distance Learning. CD Workbooks. Assessment

"It provides an insight into all aspects of fleet management and allows participants to gain an holistic view of the business and how their role, whether it is in the workshop, administration or purchasing, contributes to the overall effectiveness of that business. I believe this course is of great value to the participant and Council in general, well done."

Steven Colliver, *Manager Fleet Management Services, Dubbo City Council*
