Please complete registration form and fax to IPWEA on (02) 9283 5255 or email admin@ipwea.org.au

Seminars that do not achieve the minimum number of registrations may be deferred or cancelled.

The IPWEA Annual Parks & Recreation Seminars provide valuable learning and networking opportunities in parks & recreation management best practice.

This National 1 day Series provides the opportunity for practitioners involved in parks and recreation management to share their experiences with other participants from around their local region.

Seminar Programme

Programme	Presenters	
9.30 am	Registration, coffee	
10:00 am	Introduction, welcome, purpose	
10:15 am	Seminar 1 – Asset Management for “Green Assets” 1. How do we apply asset management techniques to our green assets? 2. Asset registers – what green asset information should we collect and to what detail? 3. Condition and performance assessment 4. Valuation and depreciation of green assets. 5. Maintenance and renewal planning	Brian Milne
12.30 pm	Lunch	
1:15 pm	Seminar 2 – Levels of Service 1. Recap level of service fundamentals 2. How to develop alternative levels of service using practical examples 3. Consultation methods and options 4. Case studies and examples will be used to demonstrate what levels of service are, and how to apply them	Jayson Kelly
3:30 pm	Seminar Summary and Close	

Who should attend: The seminars will benefit parks managers & supervisors, parks and recreational planners, and parks and facility asset managers.

Proudly Supported by
Institute of Public Works Engineering
Australia
